Subject: Reception this THURSDAY celebrating US-Taiwan partnership and diplomatic/trade relations
Attachments: image001.gif

I wanted to make sure your boss received the following invitation to a reception this Thursday celebrating US-Taiwan relations and the 30th anniversary of the Taiwan Relations Act (TRA).

Since the signing of the TRA in 1979, nearly every state has had some role in America's unique relationship with Taiwan, whether it be through significant US agricultural and commodity exports, the sale of critical defensive equipment, the growth of Taiwanese-American constituencies in our communities, or the establishment of cultural ties through exchange and Sister City programs.

This Thursday's reception -- **from 4-6pm in the LBJ Room of the US Capitol** -- will provide an opportunity to celebrate these mutually beneficial relations and engage with representatives from Taiwan on future endeavors.

I hope your boss will be able to stop by this important event.

Best regards,
Brett
